PRO SERIES™ 370 Econo Blend™ Blue

Blended with magnesium chloride for fast and effective ice melting. Econo Blend™ Blue Ice Melter brings together sodium chloride and magnesium chloride to deliver the melting power you need, even at temperatures as low as -7°F/-21°C. Its blue crystals help you avoid under- or over-applying, for a more efficient application that saves you time and money. Econo Blend™ Blue provides a variety of advantages over basic rock salt. Econo Blend Blue melts to lower temperatures, and is less harmful to grass and vegetation. In fact, it is 67% less corrosive on metal than rock salt. High-visibility blue crystals help make application more efficient, while a corrosion inhibitor reduces potential damage to metal and concrete.

SS56370 Econo Blend™ Blue Ice Melter 50 lbs.

PRO SERIES™ 750 Magnesium Chloride

Safe Step® Magnesium Chloride provides outstanding performance in extreme cold temperatures, melting ice down to an impressive -25°F/-32°C. Designed with a unique crystal shape, it provides the optimum combination of ice penetration and scatter control, and begins working on contact. It dissolves quickly, creating a powerful, long-lasting brine solution. For even the worst winter cold spells, count on the power of Safe Step® Magnesium Chloride. Safer towards plants and animals, it won't harm human hands or pets' paws. In fact, it's even less toxic than baking soda. Among today's ice melters, Safe Step® Magnesium Chloride is one of the most gentle, most environmentally responsible solutions, all without sacrificing performance.

SS53750 Magnesium chloride Ice Melter 50 lbs.

SALT AND SAND BINS

SAFETY PRODUCTS

SECURITY CONTAINERS FOR SORBANT PADS

Container comes with a lockable clasp (Yellow). Sturdy, manufactured in one polyethylene piece. Keeps its contents in security and dry. Comes with a movable tray to keep small objects like work gloves, small tools, salt spreader etc.

INTEGRA® GLASSES

Provide 99% protection against UV rays. Lenses are coated for superior scratch resistance. Adjustable temples ensure reliable performance. Pack of 12.

- PX410S Clear (universal)

OTS® GLASSES

Designed to better fit today's prescription eyewear. Lightweight nylon temples that adjust for length and pitch. Provide 99% protection against UV rays. Lenses are coated for superior scratch resistance. Pack of 12.

- PX3510SJ Clear (universal)

V2G® AND GOGGLES

Provide 99% protection against UV rays. Lenses are coated for superior scratch resistance.

- PX1880ST V2G® Clear mirror, pack of 12
- PXG204 Clear, protects against chemicals Pack of 12

SAFETY PRODUCTS

SOUND PROTECTION

EARPLUGS

Soft, comfortable earplugs that conform to the unique shape of each ear for excellent hearing protection and comfort. Tapered to comfortably fit the ear canal. Protection up to 29 db. Can be used with ear muffs for added protection.

- 3M1100 Box of 200 pairs

EARPLUGS WITH CORD

Soft, corded foam ear plugs that conform to the unique shape of each ear for excellent hearing protection and comfort. Features a cord for convenience and to prevent loss of ear plugs. Protection up to 29 db. Can be used with ear muffs for added protection.

- 3M1110 Box of 100 pairs

EAR MUFF

Durable nylon headband. Soft foam ear cups, sound protection up to 22 db.

- PXPM2010 Ear muff

HARD HAT

High density polyethylene hard hat with a 4 point snap lock suspension. Rain trough on sides and back of helmet channel moisture away.

PX14010 White hard hat

HARD HATS

High density polyethylene hard hat with a 4 point ratchet suspension. Low profile design.

- PX14110 White hard hat
- PX14120 Red hard hat
- PX14130 Yellow hard hat
- PX14160 Blue hard hat

RATCHET HEADGEAR

Constructed from durable nylon. Pivoting action allows user to lift faceshield while wearing.

- PXHGB Ratchet headgear
- PXS1010 Polyethylene faceshield

RESPIRATORS

SAFETY PRODUCTS

N95 ECONOMICAL RESPIRATOR

Patented filter media with advanced electrostatically charged microfibers help make breathing easier and cooler for enhanced user comfort. Lightweight construction enhances worker comfort and wear time. Adjustable noseclip reduces eyewear fogging and helps ensure a better seal and fit.

3M8000 Economical respirator, box of 30

N95 STANDARD RESPIRATOR

Designed to help provide comfortable, reliable worker protection against certain non-oil based particles. Its lightweight construction helps promote greater worker acceptance and comfort and increased wear time. Workplace applications include grinding, sanding, sweeping, bagging and other dusty operations.

3M8210 Standard respirator, box of 20

N95 COMFORT RESPIRATOR

Uniquely designed to help provide protection. It is ideally suited for work settings that involve heat, humidity, or long periods of wear. It features the 3M™ Cool Flow™ Exhalation Valve and adjustable M-noseclip to help provide a custom fit and secure seal.

3M8511 Confort respirator, box of 10

R95 STANDARD RESPIRATOR

Designed to help provide comfortable protection against certain oil and non-oil based particles including those present with nuisance levels of organic vapor, such as solvents, degreasers, and resins. Suggested applications include foundry operations, lab settings, agriculture, petrochemical manufacturing and undercoating.

3M8247 Standard respirator, box of 20

UNIVERSAL SORBANT PADS

Double-bonded layers of meltblown polypropylene create high surface area enabling this mat to absorb liquid quickly, Great for overspray areas and indoor spills. Rolls are perforated every 9.5" vertically and 17" horizontally, pads are perforated every 9.5" vertically.

HSUMP Grey pads 100x17"x19"

OIL SORBANT PADS

Double-bonded layers of meltblown polypropylene create high surface area enabling this mat to absorb liquid quickly, Great for overspray areas and indoor spills. Rolls are perforated every 9.5" vertically and 17" horizontally, pads are perforated every 9.5" vertically.

HSOMP White oil pads 100x17"x19"

SORBANT SOCKS

Ideal for surrounding spilled fluids and keep them from spreading. Flexible, easy and convenient to put into place.

HSZ9202 White for oil spills 3"x48"

SECURITY CONTAINERS FOR SORBANT PADS

Container comes with a lockable clasp (Yellow). Sturdy, manufactured in one polyethylene piece. Keeps its contents in security and dry. Comes with a movable tray to keep small objects like work gloves, small tools, salt spreader etc.

MS450L 32"x24"x28"h. container 9 cubic feet capacity

Colors : Charcoal (without lock)
Yellow (with lock)

I-GEL KNEEPADS

Non-skid cap helps to avoid slipping and absorb impact. Constructed of breathable perforated neoprene material. Pack of 2 pads.

RU9H10 I-Gel 4^{1/4}"x7"x9"

SWIVEL-FLEX KNEEPADS

Front strapping system fastens easily. Maneuverability with compact swivel cap. Pack of 2 pads.

RU9H11 Swivel-flex 4^{1/2}"x7^{1/2}"x10^{1/2}"

UTILITY KNIVES

Optimized cutting angle for reduced fatigue. Smooth, three-position slide exposes variable blade length and increased durability for frequent use. Inside storage for 5 blades.

RU9H05 Retractable utility knife
RU9H06 Quick change retractable knife
RU20843 50 unbreakable blades
